FEATURES & BENEFITS

Stocked in the USA

5-Year chip warranty

For all round and oval plates, bowls, saucers, and platters that have a rolled edge.

Color and size match

We guarantee a 100% match in color and size—between patterns and production runs, even years apart.

Exceptionally practical

No more metal abrasion, scratched surfaces, or unsightly marks thanks to diamond-polished feet.

Durability and break resistance

Firing twice, with the second firing at the highest possible temperature of 1,450°C (2,642°F), gives our product extreme hardness, durability, break and scratch resistance. It is oven, microwave, and salamander safe.

CA Proposition 65 compliant

Regularly tested by independent institutes to ensure purity and safety. Lead and cadmium free.

The perfect canvas for your culinary creations

No other brand gets even close: A state-of-the-art production facility and 110+ years of expertise result in smooth hard-porcelain of timeless beauty. The well of each plate and platter is absolutely level. And no, our plates don't wobble.

German quality without the German price™

You'll be amazed at how affordable top quality can be.
